TWENTY YEARS. ALL ORIGINALS.

Diorama is an alternative / modern / pop rock band from Singapore. Songwriter Erza started the band in 2006 with childhood friends, and one rule has held ever since: write and play only originals. Every Diorama song is written by Erza.

The debut EP, **From The E-Motion Picture Soundtrack** (2009), made them radio regulars. “Sanubariku” reached No. 2 on Mediacorp Ria 89.7FM, and “Anti-Romantis” won Best Lyricist at AnugeraHitz.sg 2010, where Diorama shared the most nominations (five) with Singapore Idol Taufik Batisah.

The first full-length album, **Dramatis Persona** (2014), produced three No. 1 singles: “Membenam Pagi (Tanpamu)”, “Hipokrasi” and “Sketsa Segitiga”. The singles also earned three years of nominations at the regional Anugerah Planet Muzik awards.

The singles that followed took the band across borders. “**Flora**” (2016) topped Ewana TV’s Nusantara Top 10 and reached radio and TV in Sumatera and Riau. “**Metafora**” (2018) became their first song on Brunei’s Pelangi FM. “**Vendetta**” (2020) spent three weeks at No. 1 in Singapore and was played on stations in every Malaysian state, until COVID-19 stopped its regional promotion.

After a three-year break, Diorama returned to the stage in 2024, played through 2025 and went back into the studio. In 2026, “**Vendetta**” won the **Bronze Crystal Award for Best Rock Song** at the VIMA Music Awards. New singles are due in late 2026.

“DIORAMA IS AN EXPERIENCE, A JOURNEY.”
